

SYNTHETIC UPDATED WELCOME LETTER - SOFTWARE TEST FIXTURE ONLY

This document is entirely fictional. It intentionally conflicts with an earlier synthetic letter so extraction, evidence comparison, and human review can be tested.

Effective date: June 1, 2026

Resident: Sample Resident

Unit: 4B

This notice supersedes the synthetic letter dated January 15, 2026 for Example Heights, 100 Test Fixture Way, Sample City, NY 10000.

Updated management contacts

The fictional property manager is now Northstar Test Property Services LLC.

- Leasing office: leasing-team@example.com - +1 (212) 555-0121
- Front desk: lobby@example.com - +1 (212) 555-0122
- Maintenance: service@example.com - +1 (212) 555-0123

Revised keys and moving procedure

Keys are no longer distributed by the front desk. Pick them up from the leasing office by appointment between 9:00 a.m. and 5:00 p.m. on the lease start date.

Reserve the service elevator at least 5 business days before the move by emailing move-requests@example.com. A professional moving company must provide a COI naming Northstar Test Property Services LLC, 100 Test Fixture Way, Sample City, NY 10000 as both Certificate Holder and Additional Insured.

Revised renters insurance requirement

Renters insurance remains required, but the minimum personal liability coverage is now \$300,000. Add Northstar Test Property Services LLC as an Interested Party and send proof to coverage@example.com.

Electricity correction

Electricity is now included in the building service charge. Residents should not open a separate electricity account.

Internet update

Residents still arrange their own internet service. DemoFiber is the only fictional provider currently confirmed for the building. SampleCable is no longer listed as approved. A third fictional provider, CivicNet, may be available, but Unit 4B eligibility requires manual confirmation.

Sincerely,

Northstar Test Property Services LLC
